Rough Riders Hockey Game

We will be attending another Rough Riders Hockey game in Cedar Rapids January 13 at 7 p.m. We will meet at the rink at 6:30 to purchase tickets. If you are interested in attending and haven't let Nicole Pearson know, please do so by today, Wednesday, January 11.

January Membership Meeting

Our next membership meeting will be held January 24, 2012 in the Chamber Building on Washington Street in Iowa City. The guest will be Certified Financial Planner, Todd Jacobson. Jacobson earned his degree in finance from Iowa State University. He is a Chartered Financial Consultant (ChFC) and Chartered Life Underwriter (CLU). He is also licensed in life, health. He is currently a registered representative with SII Investments, Inc. and partner of HJR Financial Group. Jacobson has more than 25 years of experience assisting professionals and business owners reach their goals. Jacobson is also active in the community serving on the Iowa City Area Legislative Committee. He is also a member of the Eastern Iowa Estate Planning Council, Eastern Iowa Society of Financial Service Professionals, Iowa City Area Chamber of Commerce, National Association of Insurance and Financial Advisors, among other organizations. Jacobson will offer members valuable advice on long and short term planning. At this meeting, we will also be voting to approve the 2012 budget. In order to complete this task, we must have as many members present as possible.

Habitat for Humanity Project

We have an opportunity to take on a project with Habitat for Humanity if enough members are interested. Here are a few details about the potential ramp building project.

The ramp project would include a potential sponsorship of around \$1,000 (depending on the specific ramp details) as well as providing up to ten volunteers for one to two days for the actual construction of the ramp. Most ramp builds happen on Friday/Saturday, but this can be flexible based on the homeowner and volunteer's availability.

For sponsoring a ramp, we will make sure that lunch is provided on a day when we need volunteers all day. Work days can also be broken up into two shifts (morning and afternoon). No prior experience is necessary.
