Field of Screams

Our largest annual event was a huge success this year. It took place the last three weeks in October, and we saw around 600 people each night. The publicity we received from the Press Citizen and from Z102.9 handing out free passes was extremely helpful. We also offered a discount to Youth Groups the first Saturday FOS was open and had great response. The final weekend we were open, Dance Marathon students from the University of Iowa staffed the FOS. We were able to give the organization a check for over 600 dollars based on the revenue we generated the night they worked for us. We were also lucky enough to have the University of Iowa's 10,000 Hours and the College of Pharmacy volunteer two of the nights we held the FOS. Overall, it was a great success and we are already looking forward to next year!

Rough Riders Hockey Game

To celebrate our successes with Field of Screams, we rented a press box and encouraged members to bring family and friends to a Rough Riders' game in Cedar Rapids on November 18.

UIHC Christmas Party

We held our annual University of Iowa Hospitals and Clinics Christmas Party in December which allowed us to do crafts with kids and their families who are too sick to go home. We were able to donate around \$1,000 to the hospital in the form of gifts and gift cards.

All-State Registration

It's time to register for All-State. This event is to honor our members with training, organized fun and an awards banquet. Our chapter will be hosting the event this year at the Sheraton in Iowa City, January 20 through January 22. Early bird registration ends on December 31.
