## Kernels Game

Outfitted in Jaycees hats and t-shirts, a group of our members traveled to Cedar Rapids this past June to enjoy a CR Kernels minor league baseball game. The outing landed on Boy Scouts' Night at the stadium and President Levi Good said, "with all out Jaycees gear, we were able to get great exposure to the Boy Scouts, an organization we generally target for future membership." Members got to finish the fun night with a fireworks display put on by the Kernels. In the future, if there is enough interest we hope to have more of these game nights.

## Relay For Life

As many of you know, this past summer marks our third year participating in Relay for Life. Prior to the event we held a small garage sale to raise money for the Relay. At the event, we sponsored the concession stand for five hours. All the money raised was then pooled and donated to Relay for Life. In total, we were able to give \$1,032. We hope to raise even more in the coming years, so if you or anyone you know has been affected by cancer, please keep this event in mind for next summer because every dollar helps.

## Raptor Center

To make things a little more interesting, in July we had our membership meeting out at the University of Iowa Raptor Center. We received a guided tour of the facilities, learned about many birds of prey native to the area, and even had a how-to bbq at the end of the tour. A special thanks goes out to the two Davenport members that joined us for the afternoon. We look forward to creating stronger ties with the Davenport chapter, so expect to see more of their members at future events.

## Upcoming Social Events

This fall we look forward to continuing our Monday After Work. If you have a recommendation on where you would like us to go, please contact Levi at [levgoo@yahoo.com](mailto:levgoo@yahoo.com). We will continue to meet on the first Monday of the month. Check the calendar on our website for updates.
